12. Remarks: For use other than irrigation or stock watering, state number and type of units to be served or annual consumptive use.

Water will be used commencing in 1981 for mining, milling and domestic purposes, primarily milling. It is expected that the mining and milling project will last for several years after which time the property will be converted into residential use with approx. 64 residential units projected, mostly apts., some single family. When property is converted to residential use, we would anticipate 100% quasi-municipal use at that time.
